**REF: Public Notice and County's Recommendation Required**  
**DNR's Facility ID No. 65553**

Dear Board of Supervisors:

The DNR has received a construction permit application for a confinement feeding operation:  
Facility name: **High Side Pork Site**  
Date received by DNR: **08/18/2016**

Under Iowa law, for this application the County is required to complete the following actions:

1. Publish a public notice (see example on page following this letter) in a newspaper having a general circulation in the county no later than 09/01/2016 (within 14 days of DNR's receipt of the application) and furnish proof of publication to the DNR:

Note: A public hearing is not required, but it is optional. However, if the board chooses to have a public hearing, it is recommended to include in the notice the date, time and place for the hearing.

2. Submit the board's recommendation regarding this application. The county must submit to the DNR all of the following:
  - A) A recommendation to approve or to disapprove the application.
  - B) Proof of publication of Public Notice.

**Your recommendation and proof of publication must be received by the DNR no later than 09/20/2016 (30 days after DNR received the application).**

**NOTE:** If the County does not submit the recommendation by the deadline, the DNR will not consider any subsequent County's recommendation until the next time the County is eligible to adopt a construction evaluation resolution.

3. The board may submit comments or may forward comments from the public, which must be **received** by DNR no later than 09/20/2016. Comments received after that date due will not be considered. Comments may include but are not limited to the following:
- a. The existence of an object or location not included in the application that benefits from a separation distance requirement as provided in section 459.202 or 459.204 or 459.310 of the Code of Iowa.
  - b. The suitability of soils and the hydrology of the site where construction of a confinement feeding operation structure is proposed.
  - c. The availability of land for the application of manure originating from the confinement feeding operation.
  - d. Whether the construction of a proposed confinement feeding operation structure will impede drainage through established tile lines, laterals, or other improvements which are constructed to facilitate the drainage of land not owned by the person applying for the construction permit.
4. The proof of publication, County's recommendation and any public comments must be **received** by IDNR no later than 09/20/2016. To ensure timely submittal, we recommend that you also **fax or scan and email** proof of publication and County's recommendation to:
